

# Kelly Services® is your single-source staffing partner

For more than 15 years, the partnership of CoVest Sourcing Network and Kelly® has brought significant cost-savings, innovative workforce solutions, and a strategic account management team to clients across the Americas.

## Competitive pricing

As a national Kelly customer, you are entitled to competitive, pre-negotiated pricing. Our strategic partnership with CoVest provides you with comprehensive workforce solutions to keep your business productive.

## Personalized service

We work with you to understand your specific requirements, and then create and implement customized solutions that are based on your business objectives and our in-depth understanding of workforce trends.

**COVEST SERVICES, LP**  
*Creating Leverage for the Business Community*

**"CoVest Sourcing Network** provides a robust solution to driving down indirect purchase costs with lower operational costs than other comparable offerings. CoVest provides pre-negotiated frame agreements with pricing that leverages the spend of its members.

The CSN frame agreements can be rapidly implemented for immediate savings with minimal cost."

# Our expertise is your advantage.

**Contract** | Reduce your labor costs by adding staff when you need it for deadlines and absences.

**Contract to hire** | Minimize your risk and make your hiring decision after a trial period.

**Direct hire** | Eliminate the administrative duties related to the hiring process. Directly hire candidates we present to you.

## Areas of expertise

**Contact center** | Our comprehensive customer contact center staffing solution, KellyConnect®, provides employees who excel in a customer care environment, including inbound and outbound customer service, collections, and telemarketers.

**Engineering** | We serve a wide range of industries, providing designers, drafters, engineering managers, project managers, technicians, supply chain specialists, and more.

**Finance and accounting** | We provide efficient and cost-effective placement of finance and accounting professionals—from entry-level to senior-level—who will thrive in your environment.

**Industrial** | Our employees will keep your research and production operating at peak capacity. We provide assemblers, material handlers, forklift operators, and laborers, as well as employees to work in shipping/receiving, production, and more.

**Information technology** | Whether you need technicians, network designers, systems analysts, or database administrators in contract or full-time positions, our specialists identify and recruit the right people.

**Law** | When you're in need of legal professionals, trust our full-service expertise. We'll provide you with everything from staffing to executive search to team placement to outsourced solutions.

**Marketing** | We provide employees and support for seminars, trade shows, sales promotions, sampling projects, product demonstrations, banquets, and more.

**Office** | From administrative assistants and data entry specialists to accounting, medical, and legal clerks, to mortgage and insurance processors, more businesses have turned to us for temporary or full-time office support than any other staffing service in the world.

**Science** | As the world's leading scientific staffing provider, we'll connect you with the best scientific professionals with experience levels ranging from entry-level to Ph.D.
