

Level 3 Collaboration Services available to CoVest Members

CoVest Sourcing Network provides a robust solution to driving down indirect purchase costs with lower operational costs than other comparable offerings. CoVest provides pre-negotiated frame agreements with pricing that leverages the spend of its members. The CSN frame agreements can be rapidly implemented for immediate savings with minimal cost.

Level 3 is proud to be a CoVest supplier since 2011. The CoVest Level 3 contract offers a complete array of conference services including web, video, audio, unified solutions and streaming video, at rates only the combined CoVest member spend can achieve.
